The mark of responsible forestry

Strathmore Writing and Strathmore Pure Cotton are made carbon neutral within Mohawk's production processes. In addition to purchasing enough renewable energy credits (RECs) to match 100% of the electricity used in our operations, the thermal energy used in the manufacture of this paper is offset through the purchase of carbon credits that fund renewable energy or emission reduction projects. Strathmore Writing is certified by the Rainforest Alliance for FSC® standards. RA-COC-000668. Visit www.mohawkconnects.com/environment for more information.
